

# PLACEMENT OF BANTAY BATA 163 COIN BANKS AT AllHome BRANCHES

Bantay Bata 163 Coin Banks were depolyed at AllHome branches last 2018 to allow its customers to help Children in need in their own little way, regardless of the amount. Funds that will be collected from these coin banks will be donated to the Bantay Bata organization to fund the support efforts for the children Bantay Bata takes care of.

Once the can is filled, the specific AllHome branch contacts the local Bantay Bata representative to collect the coins so they could have room for new donations. For the past two years, AllHome has kept a close relationship with Bantay Bata and deployed them at the counters of the store to encourage customers in helping these unfortunate children.
