

# Bayanihan Kontra COVID-19

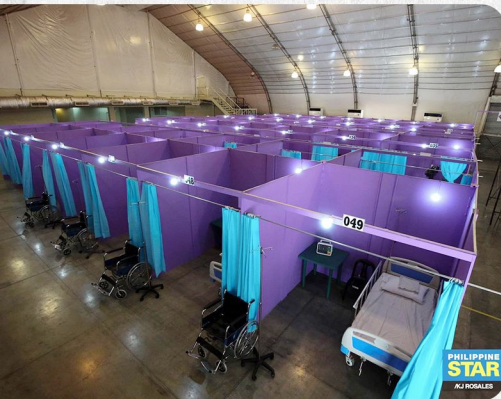

AllHome continues to help build the Improved Health Facility in PICC. We are proud that it is almost complete and ready to use. We are truly grateful for AllHome's Suppliers Uratex, Marcat Marketing Corporation, Cascade Philippines, Canadian Philippines, FMI Fibrefill Manufacturing Inc., Boysen Paints Philippines, TCL Sun Inc. and Co Ban Kiat Marketing Corporation as they continue to support us for the partnership with the DPWH. Here are some progress photos.
